The 1950

CATAMOUNT

Message from the President . . .

A good college annual has an important place in student life on a college campus. Western Carolina Teachers College is most fortunate in the quality of its annuals in recent years.

Editor Tom Grogan and his staff have worked hard to set an even higher standard with the 1949-50 annual. All of us, faculty and students alike, are anticipating with much interest the product of the staff of this year's annual. May it serve well the needs and interests of our institution.

Western Carolina Teachers College is now launching the biggest building program in the history of the College. The magnitude of this program is such that our physical facilities will be approximately doubled within the next two years. This expansion should bring a proportionate increase in the size of our student body. It then follows that the college annual will need to experience similar expansion. Plans should be made now for this growth in order that future annuals may adequately serve the needs of a greatly expanded institution.

Dedication

This man, who has become the greatest coach in the history of Western Carolina Teachers College, came to Cullowhee in 1946. Beginning with what was an almost non-existent athletic program, he has since built a football team that has brought to our campus the coveted North State Conference title.

Through his influence, the interests of Western Carolina Teachers College have been greatly extended, and his untiring efforts have been instrumental in the building of our magnificent stadium.

Because of these services he has rendered our college, because of his deep personal interest in every student with whom he has come in contact and because of our own sincere affection for him, the class of 1950 proudly dedicates this our final record to Tom Young.

...at last

We seniors have sighted our sheepskins . . . our cue for the final exit.

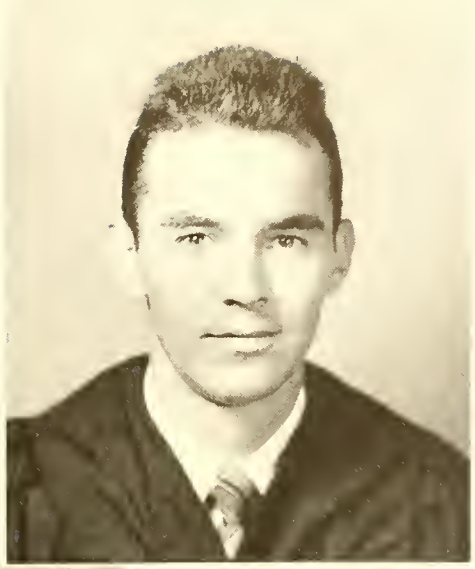

Our stay at Western Carolina Teachers College began on a September day in 1946 when we arrived fresh at Cullowhee to begin college life as the largest class in the history of the school, the majority of which were veterans. To show our strength, we were instrumental in doing away with "rat week" for both men and women this year. This was also the year of the big dance and the jeep raffle. Remember?

Our second year on the campus saw the return of "rat week" for women students. But we didn't mind too much; in fact, we enjoyed it—now that we were lower upper classmen. Clyde Pressley led us through this year in great style and left us in the hands of . . .

Jake Atkinson, who took over at the beginning of the year and led us through the harvest festival, ring buying and junior-senior picnic.

The last year proves to be our greatest and happiest the year in which we do our practice teaching, find ourselves in the midst of plans for a vast expansion program, see Coaches Tom Young and "Tuck" McConnell guide our football team to the North State Conference Title, hear Margaret Truman in concert in Hoey Auditoruim, attend President Reid's inauguration and, last but not least, receive our coveted sheepskins and start out on a venture of our very own.

Three up and One to go . . .

The four-year stretch of work imposed on students, for a college degree, seemed a mighty long time for us two years ago. But to pass our time and make our days happier we joined clubs, went out for sports, and bought reserved seats in the Book Store.

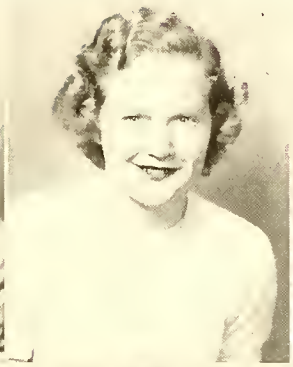

Our second year was even more exciting. We "knew the ropes" and knew the people. Some of us were so conscientious that we studied!

Then our third year rolled around. Funny how things can change in a year! The extra-curricula activities lost some of their glamor, and the Junior section in the Book Store became a little less crowded. We had work to do. Practice sets to contend with and units to write. Now we have really become serious students. We were *Juniors!*

Upperclassmen . . . now

Ah! Sophomores. Our first year is over, and we are well into our second. We have lost that feeling of awe and mystery and have taken on in its place that of responsibility and self confidence. We are proud of the places of leadership that the young men and women of the Sophomore class hold in the activities of our campus.

Our First Year...

The thrill of our first college days was dampened slightly by the process of orientation, tests, etc. but our spirit was revived considerably by being able to take our first weekend off and attend the High Point game in Asheville. After a weekend of getting acquainted we, particularly our girls who had closed study hours, settled down to the steady grind of studying. We elected our representative, Woody Rhodes, to the Student Senate, and our class prexy, Frazier Long, who left the job in the hands of Bill Davis to return to Florida and warm weather. Comes spring, and with two quarters, and a chapel program behind us, we are anxious to take our places as big Sophomores in the fall of 1950.

In compiling the CATAMOUNT of 1950, the staff has endeavored to capture a glimpse of the climatic moments—the acheivements and projects—the countless friendships and associations that have gone into the making of our college life.

We present this yearbook to the student body with the sincere hope that it will prove to be commensurate with our expenditure of time and effort.

Two College Citizens

Our plans have been completed and action has been taken. Here we introduce the "Two College Citizens" of the week, Celeste Sabistan and Paul Rogers.

In the last issue of the Western Carolinian a brief outline of our plans for such a feature was given. This week we proudly present our first choice, Celeste and Paul are familiar figures on the campus. They have been selected on the basis of outstanding school spirit, reflective in such admirable characteristics as sportsmanship, personality, appearance and character. Paul has been sidelined from active participation in football most of the season due to an injury sustained at the High Point-WCTC game. Nevertheless we believe that he has shown superior school spirit. It is fitting that he receive recognition.

Of Celeste we can say that during Campus Conference on Reli Week she gave her full coop tion in every phase of the progr Seldom do students give so fre of time nor do they exert su energy toward a worthwhile go

Paul and Celeste will be treate to a night out this week, courtes of the Western Carolinian an some of our benefactors in Sylva

Thursday night Celeste and Paul will dine at the Park lunch where they say the food is good and the scene serene. Later the two will see a movie at the Ritz Theatre where "The Red Danube" starring Walter Pidgeon, Ethel Barrymore and Peter Lawford will be show

These two establishments have been most cooperative in our new venture. We hope to gain more support in the future. Even now it pays to be a good citizen.

al- or athlete tioned the fact be possible for the club to sponsor an ar- eum project on part of the college property behind Madison dormitory, and a biological station on college property at Lake Glen-

the Sand Hill elementary school in Buncombe county. Jeannette Farmer Bryson is a Sylva faculty member, and so is Juanita Farmer Davis. Tom Garland and Joe Wiggins are additional faculty members blessing Robbinsville. Harry "Fuzzy" Miller is working with his Dad in a Lumber Co. in Marion. and Mrs. Tom McLonee live Candler, and Tom teaches in Creek High. Wilma Mae is Home Economics in school. John Beal is t Hayesville. Sara "Shot" ice is working in the bank Forest City. Sue Ardrey is in business at Pineville with other members of his family. Frank Bauman is a payroll clerk with the Postal Accounting department in Asheville. Mr and Mrs. Burke Ferguson are both teaching in Bryson City and have new Ford in white to commute. Mrs. Ada

Prospective members for the school's Square Dance team have seen busy brushing us on such complicated figures as the Four-Leaf Clover, Texas Star and Ocean Wave.

The team will be directed by Bob "Red" Nelson. The probable team members are Shirley Babbington, Pee Wee Hamilton, Priss Sneed, Red Nelson, Dot Raby, Don Penley, Patricia Thomassin, Bill Glance, Barbara West, Chuck McConnell to Galloway, and Ben McKinney.

NOTICE

In response to several requests, Mr. Curtis states he will be willing to form a study group with those students who wish to study German. Any student wishing to join such a group should see

To promote and maintain the highest standards of college life;

To help unify and bring to a sense of inter-responsibility the men of the college;

To serve as a regulator of all matters which pertain to all who come within its jurisdiction and which do not fall within the jurisdiction of the Senate or the Administration.

To these ends The Men's House Government is dedicated.

The International Relations Club is one of the more serious groups of the campus. Its activities are principally concerned with the study and discussion of current international problems in a non-partisan spirit, and without propagandist aims. Under the guidance of Professor Marvin Farley and Dr. Rosser Taylor, it has been a vital factor in stimulating interest in world problems at Western Carolina Teachers College. The club is affiliated with the Intercollegiate Council of the United Nations.

"A sport for every girl and a girl for every sport." It is to this ideal that the Women's Athletic Association aspires. They propose to encourage all girls of the college to participate in athletics. Expressly, their purpose is to develop among its members a spirit of fair play and sportsmanship, to promote sound health practices, and to create a spirit of fellowship among students.

They sponsor a girl's intramural program and through its established point system worthy girl athletes may win school monograms.

The varsity football squad of 1949 are, *left to right*: *Front row*: Parker, Rogers, Clayton, Hipps, McConnell, Hamilton, White, Duke, and David. *Second row*: Clark, Neal, Whitaker, Humphries, Thomas, Coffey, Long, Arney, Byrd, Rumbough, and Coach Tom Young. *Third row*: Stewart, Jaynes, Banks, Etheridge, Greeson, Brown, Phillips, West, Selzer, and Robinson. *Back row*: Allison, Harris, Roberts, Arrington, Constance, Winchester, Hunt, Noblitt, and Humphrey.

Sports

The sports scene at Cullowhee this year was highlighted by the Championship football team. The Catamount grid men charged through the season winning eight and losing two. The football team received a post season bowl bid after the regular schedule was completed and participated in the First Annual Smoky Mountain Bowl at Bristol, Virginia-Tennessee. West Liberty (West Virginia) Teachers College took that game from the Cats 20 to 0.

Next in line for honors comes the wrestling team. Under the able direction of Coach Don Thames, a student and wrestler himself, the team groaned through a rough schedule with a remarkable record. Wrestling is a new sport at Cullowhee and is supported by the students of the Monogram Club. The team was led by Captain Bruce Burleson, 1949 North and South Carolina A. A. U. Wrestling Champion in the 175-pound class.

The basketball team was disappointing to the Catamount fans after seeing such cage stars as Jim Gudger, Howard Barnhorst, Bob Tate, and Bob McGinn cavort on the local hardwood in past seasons. With a team of only a few veterans, the Catamounts had one of their worst seasons. The prospects look good for the next few seasons to come with Ronald Rogers, Richard Sides, and Ned Straehla leading the list. We will all be looking forward to next season and the ones after that.

The baseball team had one of its most disastrous seasons in 1949. With an inexperienced team in the field, the Catamount nine won five games while dropping sixteen. The brightest spot on the Baseball scene was Lefty J. E. Pardue, who was credited with four of the team's five wins. Like Basketball, the diamond team has some bright prospects for the 1950 season.

The Catamount Man-of-The-Year was Arthur Byrd, 165-pound guard, who was named to the Associated Press Little All-American Football Team. Byrd brought national recognition to Western Carolina through his athletic prowess.

Cats Roll to North State Crown

The Catamounts of Western Carolina Teachers College rolled along to their first North State Conference crown in winning the Football championship. The Cats' four conference wins were against four of the strongest teams in the league: High Point, Appalachian, East Carolina Teachers College, and Lenoir-Rhyne. They scored a total of fifty-six points in conference play while holding their four opponents to a total of nineteen.

This season marked the first time that the Catamounts have gone through a conference slate without a defeat. It is a fitting tribute to the men of the squad and the untiring efforts of the coaching staff.

The Cats placed five men on the All-Conference team: Hugh Hamilton, Ralph McConnell, Arthur Byrd, Ralph Humphries, and Hugh Constance.

ıack Pee Wee Hamilton

Fullback Joe Hunt

Fullback Joe Hunt is being pulled back, but not before crossing the line for the second TD against High Point.

End Stewart Brown

I'm Sorry, Coach!

B-Squad Coach Bill Swift receives a reprimand from Coach Young for booing an official during the High Point game. Jim (Cigar) Gudger and Fullback Joe Hunt look on as Bill takes his medicine.

Wingback Dewey Whitaker

Get off my back...

Fullback Joe Hunt keeps driving with a High Point man on his back for a fifteen-yard gain in the season's opener at Asheville.

Tailback Cecil Roberts

Oooph!!

Cecil Roberts is hit hard by two High Point men, but not before picking up five yards around left end.

Diminutive Pee Wee Hamilton is swamped by Maryville players after picking up four yards through right tackle.

End Bob Humphrey

Pile driving Joe Hunt scores in the Catamount's loss to Emory and Henry.

Tackle Dan Robinson

This play caused a controversy that will live as long as football is played at Western Carolina. All the Catamount fans say that Joe Hunt was over the double stripe for a touchdown, but the officials didn't see it that way. Final score W. C. T. C. 26—Emory & Henry 27.

Blocking Back Lawrence Arney

Tailback Hershey Hipps

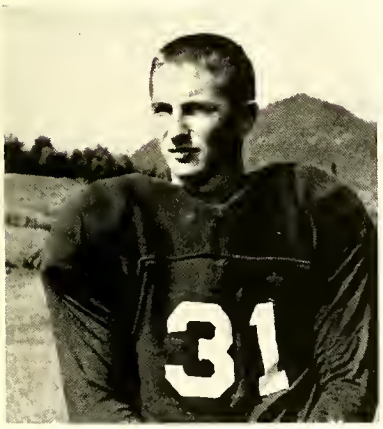

The boys get ready for the encounter with Maryville. Seems like Boice Winchester got caught with his pants down!

End Clyde Etheridge

Coach Young gives the boys their pep talk before taking the field against Maryville. The tension runs high and nerves tingle before kick-off time.

Fullback Dick White

It's a muddy and tired crew that gathers around the water bucket at half-time in the Maryville game.

Co-Captains Von Ray Harris
and Hugh Constance

Harris and Constance talk things over with the officials before the High Point game in Asheville's Memorial Staduim.

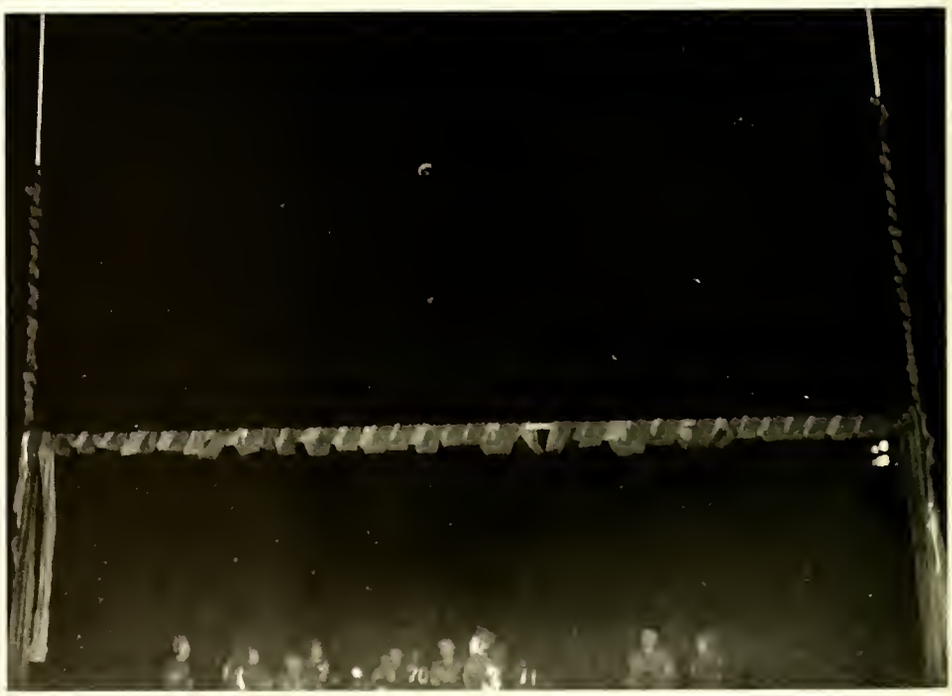

Fullback Ralph McConnell

Tackle Buffalo Humphries

Blocking Back Jack Arrington

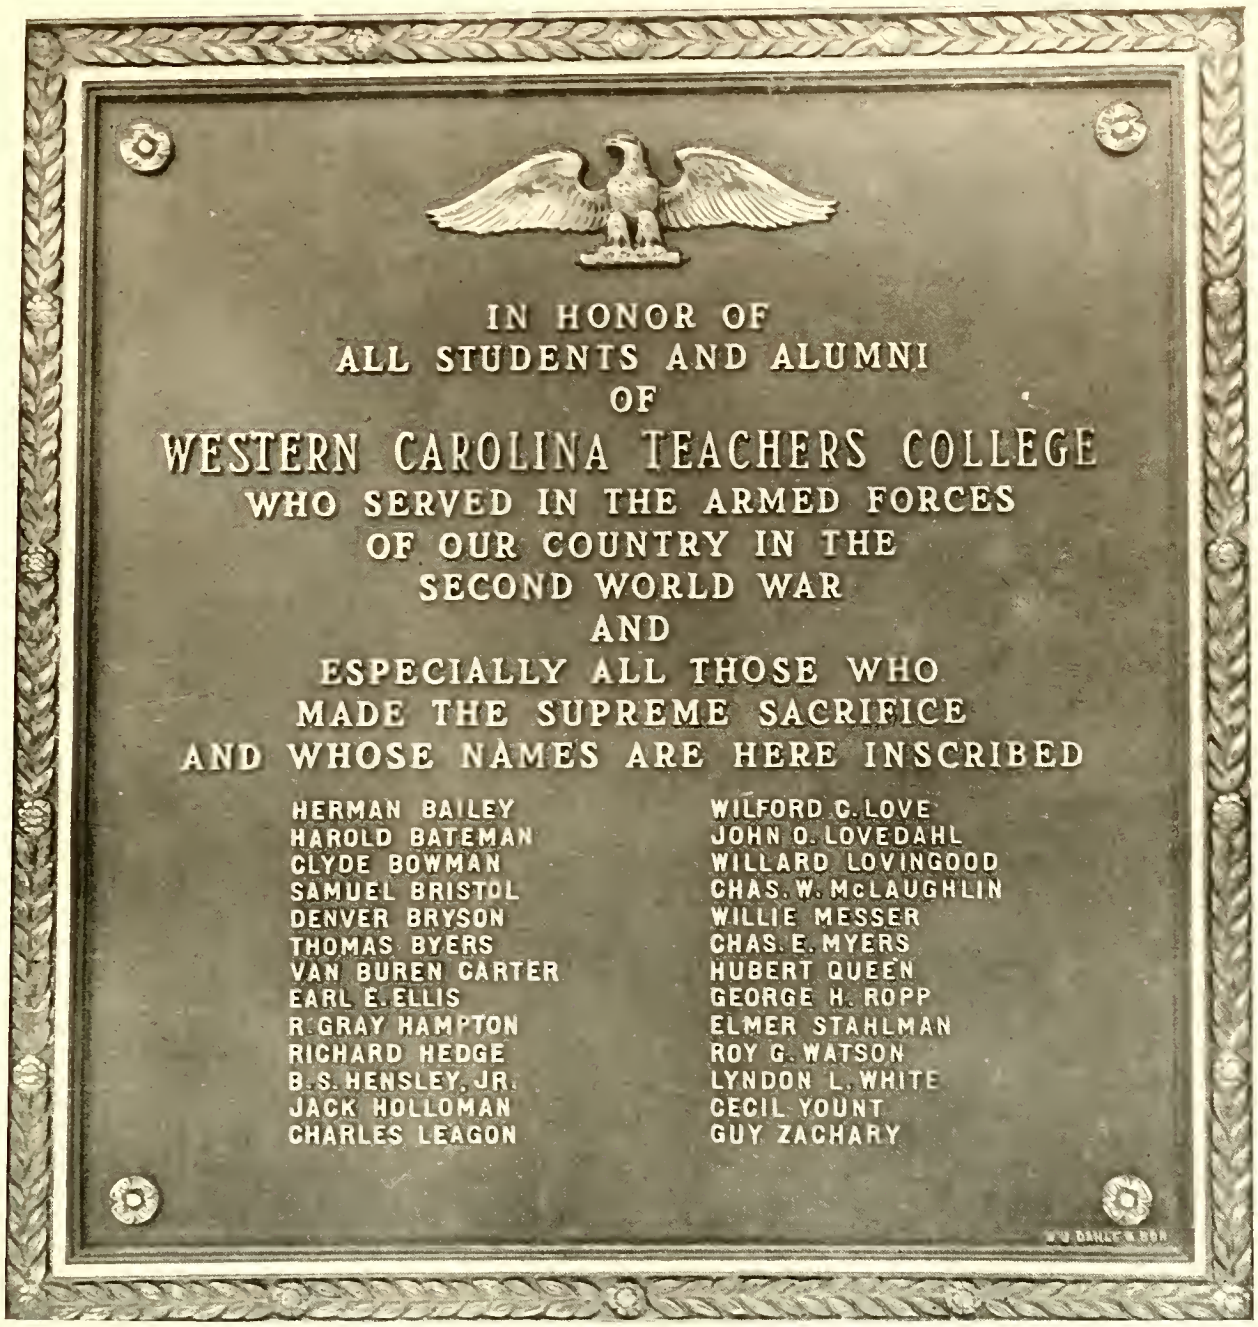

The ball splits the uprights as Ralph Clark adds the extra point after the first touchdown against Lenoir-Rhyne.

Dedication of Memorial Stadium

Plaque placed on the press box of the new Memorial Stadium.

Western Carolina's new Memorial Stadium was dedicated to the memory of those W.C.T.C. students who were killed in the past war and who will stand to remind all who visit here of their great gallantry and their great sacrifice.

The dedication ceremony took place between the halves of the Homecoming Game played between the Catamounts and Lenoir-Rhyne. Presiding was R. C. Sutton, Business Manager of the College. Mr. Sutton

as chairman of the stadium committee presented Dean W. E. Bird who recognized the parents of Cullowheeans who were killed and read the roll of the deceased veterans. Dean Bird introduced Mr. Charles W. Morgan, representing the Alumni Association, who presented the stadium to the College. President Paul A. Reid of W.C.T.C. is shown at left as he accepts the stadium on behalf of the College.

The Kittymounts, *left to right are:* Al Caperilla, assistant coach; Edwards, guard; Hornaday, back; T. Hornaday, back; Johnson, back; Padgett, center; Estes, back; Caperilla, back; Coach Bill Swift. *Second row:* Cunningham, end; Bungarner, tackle; Ussery, back; Cagle, end; Crook, tackle, Owens, tackle; Page, guard; White, end. *Third row:* Proctor, tackle; Honeycutt, tackle; Cagle, guard; Ilderton, guard; Howell, end; Singleton, guard; and Cabe, back.

Kittymounts Have Good Season

The Western Carolina B-Squad, usually called the Kittymounts by Cullowhee fans, had a most successful season in 1949 under the able direction of Coaches Bill Swift and Norris Jones.

The Kittymounts played a five-game schedule and lost only to the undefeated Lees - McRae Bobcats. With such stars on the B-Squad as Tommy Hornaday, Jay Hooper, Rip Doughtery, and Blackie Estes, it is no wonder that they had such a successful season.

Several of these boys are expected to move right into varsity berths next year to replace some of the graduating members of that team. Bobby Cunningham is a very promising fullback, as is Clyde Bumgarner at tackle, Blackie Estes at tailback, and Jack Cunningham at end. These boys have received a great deal of football knowledge from their B-Squad coaches. Bill Swift and Norris Jones have done a tremendous job in developing this material and should receive a lot of credit for their thankless job. You seldom see any news items about Jayvee coaches, but a bouquet should be passed to these two student-coaches for a job well done.

ARTHUR BYRD

Arthur Byrd, watch charm guard on the Catamount football team, became the first man from Western Carolina Teachers College to gain a berth on the Associated Press Little All-American team. Art has played four years of outstanding football at Cullowhee and received this high honor in his last year of collegiate competition. He is the fourth man from a North Carolina team to be named on the mythical eleven in its history.

Byrd was also named to the Greensboro Daily News All-State team, the only man representing the smaller colleges of the North State Conference.

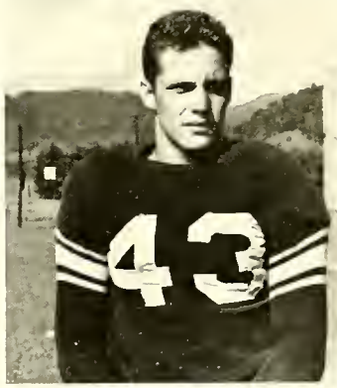

He received All-Conference mention for the second consecutive season, and also the North State Conference's Most Valuable Player Award for 1949.

In Coach Young's own words, these awards go to "a great athlete, a gentleman, and a scholar".

One of the combinations used in the Catamount's drive to the North State Conference title. In the line, *left to right*: Bob Humphrey, Dan Robinson, Art Byrd, Hugh Constance, Von Ray Harris, Bob Greeson, and Bill Phillips. In the backfield: Dewey Whitaker, Lawrence Arney, Paul Rogers, and Pee Wee Hamilton.

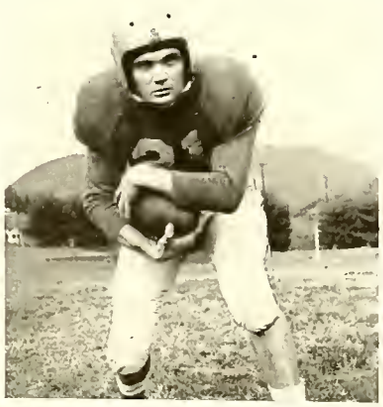

End Bill Phillips

Guard Frazier Long

Tackle Jack Allison

Fullback Paul Rogers

Coach Lawson Brown

Baseball

The 1949 edition of the Catamount Baseball team met with a lot of obstacles during their season.

Coach Lawson Brown, a professional baseball player-student at Western Carolina, had to develop his own talent for the baseball team. Many of the veteran members of the squad had left school along the graduation route and it left little for Coach Brown to work with.

In the outfield there were veterans Ovie Heavner and converted infielder Marshall Teague. The infield was composed of veterans Tommy Selzer at third base and Clyde Pressley at first base. The other nine men on the playing team were all newcomers to the squad.

Ted Gayle was the only returning pitcher from the 1948 combination. The brightest spot on the team was southpaw J. E. Pardue who was credited with four of the Cats five wins and led the hitting parade with a healthy .350 percentage.

FALL SPORTS

The activities included in the fall intramural program were tennis, table tennis (ping pong) and free throw shooting. The winners in the various events were Ray Cox who defeated Don Thames in the finals of the tennis tournament, which included a field of sixteen entrants.

"Squirt" Williamson emerged victorious in the table tennis tournament by eliminating hard hitting Leon Whitaker in a very close and keenly contested final match. There were thirty two entrants in the table tennis meet and other semi-finalists besides Whitaker and Williamson were Ray Cox and Pete Litaker who lost keenly fought matches to the finalists. Other contestants who showed up well in the tournament were John Hutchinson, Johnny Helms, Jeff Wells, Fred Kirkland, and Irvin Greene.

Ned Straehla, varsity basketball star, won the free throw shooting tournament by sinking forty-two out of a possible fifty shots for a very good mark of eighty-four percent. "Lefty" James Pardue, all around athlete here at Cullowhee, finished second in the free throw tournament.

Lack of facilities caused the cancellation of Tag Football, formerly the feature event of the fall intramural program. It is hoped that next year the facilities will be available to restore this sport to its deserved place at the head of the fall program.

WINTER SPORTS

The winter intramural program at Western Carolina was entirely devoted to sports of a team rather than of an individual nature.

The first event was the volleyball tournament, which was won by the Second Floor team of Madison Dormitory. The winning team was led by Gus Mayor and proved to be very good in coming from behind in each of its matches, rallying in the finals to defeat a very good Boodleville team by a narrow margin. Seven different teams entered the tournament and all matches were won by a very close score.

The final event on the winter program was basketball which was held in round robin, league, style with the final standings ending in a two way tie between the Third and Fourth Floors of Madison Dormitory. In a playoff game between these two teams, the third floor team won by a one point margin with Ken Johnson's last minute free throw proving to be the final margin of victory.

Leading scorers in the league were Walter Dockery who scored ninety-eight points to lead the way and following him were Clyde Etheridge, Charlie West, Buck Page, and Fred Kirkland in that order.
